Procedemento selectivo de ingreso
ao corpo de profesorado de escolas oficiais de idiomas

Código 592

Especialidade 011 inglés

APELIDOS E NOME:

PRIMEIRA PROBA - PARTE A

(PROBA PRÁCTICA)

AUDICIÓN: OPCIÓN B

Tempo: 70 minutos

Indicacións xerais

- Empregue o bolígrafo que lle foi entregado.
- Poderá usar papel de borrador.
- A resposta final da Tarefa 1 deberá ir no Answer Grid. A resposta final da Tarefa 2 deberá ir na caixa indicada.
- Non empregue cintas ou fluídos correctores; de necesitar anular algunha parte do escrito abondará cun X ou cunha liña sobre o escrito.
- escoitará dous textos orais de forma alterna (audio A – audio B – audio A – audio B). Haberá un minuto de silencio antes de cada escoita.
- escoitará unha sinal acústica ao comezo da proba e antes de cada escoita.
- Ao finalizar, introduza a opción escollida no sobre e indique no exterior o seu nome e “Opción A” ou “Opción B”. Peche o sobre e asine a lapela.

LISTENING COMPREHENSION - You are going to listen to an audio documentary about the Great Barrier Reef, a World Heritage Site, including interview extracts with various guests such as Professor Ove Hoegh-Guldberg and Col McKenzie, among others. As you listen do the two tasks:

TASK 1

Read the notes below and listen carefully to the recording. Then, in BLOCK CAPITALS, complete the missing information. Use the exact words which appear in the recording. Write your answers in the answer grid.
